

# Knowledge4life with Quentin McCall

## Quentin McCall Bio

*My people are destroyed because of lack of knowledge. ~ Hosea 4:6*

Certified Coach **Quentin McCall** champions the success of **professionals** in every area of life—spiritually, emotionally, financially and within their relationships. Quentin's own purpose is driven by a passion to help people, *just like you*, **co-create the life God created them to enjoy, one filled with vision, abundance and legacy for generations to come.**

Professionals who are committed to **making a global contribution for His Kingdom** and goal-focused men and women across the nation rave about the impact Quentin McCall has had on their lives and the lives of those they love. Quentin guides each to **work in his/her areas of purpose and make progress** toward achieving their long term spiritual, emotional, financial and relationship visions.

Quentin's exceptional **integrity, intuition, scripture based wisdom—coupled with his personal experiences and successes—have helped him build trusted long-term relationships** with hundreds of people around the world from every walk of life. He has coached and mentored some of the most brilliant

entrepreneurs, civic and spiritual leaders and is consciously committed to making a difference.

Turn your purpose into a vision that builds legacy.

Using the principles of his proprietary **Knowledge 4 Life** formula, Quentin coaches his clients to make meaningful spiritual and mindset shifts while they **develop the courage and wisdom to go beyond simply living to thriving**. His coaching process, unlike any other, has been credited with helping numerous people grow spiritually while increasing their abundance of wealth and enriching their relationships.

Quentin is also a mentor, blogger, author, sought-after and inspirational speaker, community leader and creator of the proprietary and acclaimed **Knowledge 4 Life** formula—**helping people across the global community create an abundant life driven by His will, purpose and blessings**.
